NUMBER 125

Sports Parade

By HENRY McLEMORE

NEW YORK, (U) — Galento got out with his life, but there was one dreadful moment when it seemed to hang in the balance.

With two minutes gone in the fourth round Galento was against the ropes, unconscious. His head rolled helplessly, his hands were down.

Louis fired both barrels at him. Then fired again. He was reloading for another round of leather at his bloody target when Referee Arthur Donovan called him off.

Had another volley come from the corded muscles of his shoulders, had he driven home again with his 200 pounds of harnessed hell, Galento, as tough as he is, might not have been able to withstand it.

"It was stopped just in time," Dr. William Walker of the boxing commission said. "It wouldn't have done for Joe to throw another punch."

A tough campaigner, Barney Ross, said: "It made my flesh crawl, that finish. Nobody who ever lived could stand much more of a beating like that. As it is, Galento won't be right for weeks. A beating around the head like Joe gave him isn't something you get over with a night's sleep."

Louis never hit any of his victims with more viciousness than he did Galento in those closing moments. Angered by the knock-down he suffered from a left hook to the jaw and a sweeping right under the heart in the third round, Joe brought all his guns into action. He said so himself.

"That was as hard as I ever hit anybody," the champion drawled as he sat on his dressing room table. "I was glad when Mr. Donovan stopped it. That Galento shot is a game guy."

There is no denying that. Tony proved he is game as he is wide. He waded into the champion from the sound of the first bell and for the first round carried the fight. The fat fellow got off the floor in the second round after a savage beating and was strong enough in the third to floor his tormentor.

He answered the bell for the fourth fresh enough but the first punch in that round settled his doom. As he started to throw a right Louis snaked in close and pulled the trigger on his left hand. The hook landed with explosive force, and the flesh on Tony's right cheek gave way as though he had been slugged with a blackjack. When he reeled away under the impact there was a split half as long as a lead pencil running from his cheekbone to his chin. It bled badly.

He didn't know much after that. His motions became slow, mechanical, as he bobbed about the ring with half-closed eyes. Louis never allowed him out of range. He would straighten up Tony with an up-percut and twist his head about with rights and lefts. Suddenly Tony's weak defense crumbled and he swayed drunkenly, unknowingly, uncaringly, and a pathetic target.

There was the crack of leather against flesh. Again and again. You wanted to turn your head.

Then Donovan said enough, and Louis had his seventh successful defense of his world's championship.

An amazing champion, Louis. In seven defenses he has had to fight but 84 minutes and 58 seconds of the 315 scheduled minutes. And more than half of that time was used in 15 full rounds against Tom Farr.

Nova will be next. And after Nova someone else and then someone else until, finally the years cut Louis down.

Mrs. Josephine Swift was a county seat caller Tuesday from Latrobe.

GALENTOWANTS LOUIS AGAIN

Champion Looks Toward Match In September With Lou Nova

By HARRY FERGUSON
U. P. Sports Editor

NEW YORK, (U) — Tony Galento, as game a guy as ever bled for a lost cause, chewed the bitter fruit of defeat today and passed his plate back for another helping of the same dish.

Still groggy from trip-hammer punches, barely able to mumble through the blanket of bandages on his face, his torn flesh held together by 23 clamps—the little barrel of a man said he wanted to fight Joe Louis again.

Waterloo was enough for Napoleon; Caesar gave up when the first dagger sank into him; Hannibal folded when the going got tough. But, take it from Antonio Dominick Galento, they were bums—all three of 'em—to give up because they had taken a licking.

"Bring on dat bum Louis in September!"

That was the tired whisper that came out of Orange, N. J., in the early hours of today, and it came from the bruised lips of a first-class fighting man who was within one split-second punch of being heavy-weight champion of the world last night in 11 minutes and 29 seconds of back-alley brawling. Plenty of people probably would pay to see terrible Tony take another round-house swing at Louis' jaw, but it's a sight that probably will be denied them forever.

Louis, going his even, murderous way, wants to fight in September, but he isn't interested in meeting a man whom he already has pounded to pulp. So within the next week negotiations will get under way for a September bout pitting Louis against young Lou Nova. Tony will be left with nothing but his memories, the respect of all who saw him fight and bleed—and the \$45,000 he drew down for his brief period of pain.

It was short and sweet up there under the lights at Yankee Stadium last night, but while it lasted it was something to see. Galento went down and got up off the floor to belt Louis Joe went down and got up off the canvas to slug it out with Tony. It was left to the head and right to the belly and let the blood spatter where it may.

Legion Women Choose Heads

Mrs. Arzella Delaney, President; Officers' Installation July 11

Mrs. Arzella Delaney, of El Dorado, was elected president of the American Legion Auxiliary at the regular election of officers on Tuesday evening, at which delegates also were named by the unit to the annual department convention, to be held at Oakland in August.

Convention delegates are Mrs. Delaney, Mrs. Ollie Irwin, Mrs. Cora Anderson and Miss Lulu Cook.

In addition to naming the president the unit elected the following other officers, all of whom will be installed at a meeting to be held at the Shakespeare clubhouse on the evening of July 11th:

Mrs. Lottie Pearson, first vice-president; Mrs. Edith Baalke, second vice-president; Mrs. Mary Perschke, chaplain; Mrs. Cora Anderson, secretary; Nellie Lewis, treasurer; Mrs. Marjorie Peterson, sergeant-at-arms and Frances Delaney, marshal.

RAINFALL FOR YEAR TOTALS 24.32 IN PLACERVILLE

Rain for the "water year" which ends Friday night, June 30, totals 24.32 in Placerville, according to Adolph Martin, weather observer.

The total is 16.14 inches less than the "normal" as computed over a fifty-year period.

Philip Mocettini, of Latrobe, has been appointed by the Grand President of the Native Sons as a member of a team from this section of the state to install officers for the various subordinate parlors in this vicinity.

Mrs. Lois Millar and son, Stanley, of San Francisco, are here visiting the former's parents, Recorder and Mrs. Charles Marsh.

FARM MEETINGS IN COUNTY CONSIDER SOIL DISTRICTS

Committees Being Appointed To Study Proposed Plan Of Conservation Under Recently Amended State Law; Meeting Friday At Summit

Meetings are being held in different sections of the county at which farmers are discussing the possibility and the advisability of forming soil conservation districts as provided for in state law.

The discussions are being resumed at a point where they were abandoned several months ago owing to exceptions which were then taken to

AN EAGLE SCOUT will be the rating conferred Friday night on Senior Patrol Leader Robert Weidman, son of Mr. and Mrs. R. H. Weidman, at a Boy Scout Court of Honor at the courthouse. Bob is a member of Troop 67, which will hold the honor court jointly with Troop 86.—Photo by Land.

Ski Shelter Site Chosen During Week

The erection of the Lover's Leap Ski Shelter will be started about July 15th.

This was the announcement of El Dorado Forest headquarters this week after the site for the building had been chosen at a conference with J. N. Gibson, of the Regional forest office of recreation.

The building will be erected on a site on the "old" road between Strawberry Resort and the site of the old Twin Bridges resort but near the latter location, at the foot of a ski hill site which is held under lease from the government by the Placerville Ski Club.

The structure is to be erected under the supervision of S. M. Speers, as work superintendent of Snowline CCC camp, whose enrollees will do the work, the materials provided by the Placerville Ski Club.

Upon its completion, the Lover's Leap Ski Shelter will be operated by the Placerville Ski Club for the public interest in winter sports. It is intended that the shelter will be completed in time for the snow sports season next winter.

Lion "General Staff" Meets On Thursday

The executive committee and the chairman of working committees of Placerville Lions have been called to meet with President Louis Armes at 7:30 o'clock tonight at the Piedmont Cafe.

President Louis reports that "this is just a little get-together to see what we can do toward outlining the club's work for the year."

The birth of a son, Robert Alvis Lynch, to Mr. and Mrs. Jack Watris Lynch, of Placerville, at the Sanatorium, on June 23 is reported in a certificate on file Thursday at the courthouse.

Lewis Strickland was a caller in Placerville Monday from El Dorado. Mr. Strickland reports that his grandfather, Amos Strickland, built the first log cabin in Monroe County, Iowa, in 1835. Subsequently, the Stricklands moved to Texas, where Lewis Strickland was born.

to the state's Soils Conservation Districts Act. The act was amended in the recent Legislature and it is believed that some of the features to which objections were raised in earlier discussions have now been eliminated.

At a meeting held at the courthouse on Thursday evening of last week, a committee to carry on the preliminary work in the Placerville district was appointed and includes Leo Ench, James A. Irving, Earl Blair, George Volz, Roy Marks and John Van Alstine.

At a meeting held at Cool on Wednesday evening of this week, those present wanted more time to consider the matter.

Friday night, the proposition will be discussed at the meeting of the Southside Farm Center, at Summit, and if a sufficient interest is shown in the subject, a committee may be named for that district.

The proposal is an important one for the county and in the public interest we have obtained from officials an explanation of some of the provisions of the state Soil Conservation District Act as amended, so that those who are most directly concerned may to some extent be informed of its provisions.

The act as amended makes it possible for landowners to form soil conservation districts and to develop a program designed to solve their soil and water conservation problems. Districts organized under the act are governed by the landowners within the district and are in a position to receive technical and other assistance from the Soil Conservation Service or other agencies of the United States Department of Agriculture.

The state act as recently amended. (Continued on Page 4)

July 4 Picnic At Aukum

Grange And V. F. W. Join In Sponsorship Of Annual Community Event

The annual Fourth of July picnic, at the Fairplay-Aukum Hall, will be conducted this year under the joint sponsorship of the members of Three Forks Grange and of Sierra-Nevada Post No. 2680, V. F. W.

Preparations have been made for an eventful day and for a speaking program at which State Master George Schlemmer, of the Grange, will be the principal speaker.

The joint committee in charge includes C. E. Baumgardner, commander of the V. F. W. post; Joe Langer, master of the Grange; and Warren Benson, Ray Humes and Simon Arnold.

Herb Martin is in charge of the picnic sports program, which will include races and contests of all kinds and, in addition, horse races, with mounts supplied by the 7-Up Dude Ranch.

The committee also announces that it is expected a number of carnival attractions will be available for the day to augment the general sports and patriotic program. Preparations have been made to entertain a large crowd and all will doubtless have a good time.

4 DISTRICTS PAY THEIR COUNTY TAXES IN FULL

The county tax delinquency for the fiscal year ending June 30th will be about two and two-tenths per cent, it was announced Thursday by Tax Collector W. F. Truscott.

Four school districts of the county have paid their taxes for the year in full, Truscott said. The districts in which there are no delinquencies are Pigeon Creek, Carson Creek, Live Oak and Penobscot.

The total amount to be collected for the year was \$346,952.73 of which \$8,711 was due and unpaid Thursday morning.

A suit was filed in Superior Court Thursday by Louisa Mann as guardian for Anna Marie Barlow, against Everett F. Colridge, et al., foreclosing a mortgage on ranch property at Pleasant Valley.

"Heard This One, Captain"

Visitors to the Golden Gate International Exposition, Miss Gusie Raegener, tennis star, and Captain Eugene Merrick, at 85 youngest member of the G.A.R. in California, were photographed spinning yarns in the court of the California State Building, Exposition "host" building. More than 460 events have taken place in the State building, attracting hundreds of thousands of visitors. Captain Merrick hails from Los Angeles, Miss Raegener from San Francisco.

JUDGE PIEROVICH ASKS OLSON TO VETO PAY RAISE

The Legislature voted a salary increase for the Superior Judge of Amador County, effective July 1, 1941, and Judge Andrew L. Pierovich has written Governor Olson asking him to veto the bill.

Judge Pierovich, formerly Senator Pierovich, introduced the pay increase bill in the Legislature, but at that time he declared, he did not suspect that he would be appointed to be Judge of the Amador County; that came later.

"Although it (the bill) carries the so-called moratorium clause making the raise effective only after July 1 of 1941, I still want you to veto it so that there will be no question in the minds of some who may not understand that it was acted upon at a time when I had no thought of being the Judge," says the letter to the Governor.

Senator Pierovich also sponsored salary increases for Judges of the Superior Court in El Dorado County and in Alpine County. Both bills were passed, effective July 1, and Judge Pierovich hopes the Governor will sign these bills, but wants the Amador bill vetoed.

The present salary of the Amador Judge is \$5,000 and the legislature approved a \$500 increase, effective in '41.

CONTROL BURNING TESTS OUTLINED WEDNESDAY AT COOL

Following a conference Wednesday evening at Cool between ranchers of the district and representatives of the state Division of Forestry, approval was given by the latter group to a plan for conducting a series of experiments in controlled burning.

On behalf of the ranchers of the district, a committee was appointed to administer the experiments and includes Lawrence Nielge, George Eberhard, Lester Crans, George Lehman and Ed Sperinde.

State Fire Warden Willard Austin and State Rangers Strickland and Greaves shared in the discussion.

In view of possible misinterpretation of the above, readers are advised that the law requiring them to have permits for burning continues in effect and is in no way amended.

T. P. Raley, the drive-in market man, was in Placerville Thursday looking after business matters.

Stores Open, Some Offices Close Monday

Principal stores of Placerville will be open on Monday, July 3, although the bank, courthouse, city hall and the office of the Inter-County Title Company will be closed for the day.

The usual closing will be generally observed for July 4.

There had been some confusion concerning the extent to which July 3 would be observed as a holiday after metropolitan papers reported earlier in the week that Governor Olson had declared July 3 to be a holiday.

While a survey of merchants was made on Wednesday, indicating that a majority of them will keep their places of business open, county and city officials awaited receipt of the Governor's proclamation before announcing that Monday, as well as Tuesday, will be observed as a holiday.

Federal offices will, of course, maintain business and service as usual on Monday, but will observe the July 4 holiday.

AUXILIARY TO EAGLES NAMES COMMITTEES FOR YEAR

The Ladies Auxiliary to Placerville Aerie No. 889, F. O. E., met on Monday evening for the first time with its new president, Lily Revaz, presiding.

Mrs. Mabel Johnson was appointed conductress for the year and Mrs. Georgia Orelli was installed as trustee for a three-year term. Mrs. Callia Brauner was appointed pianist.

Committee appointments were announced as follows:

Finance, Mrs. Hazel Prewitt, Mrs. E. Pierroz and Mrs. Juanita Canfield;

Attendance, Mrs. Norma Humphreys and Mrs. Mabel Johnson; Publicity, Mrs. Norma Humphreys.

Committees on entertainment and refreshments for the next meeting were appointed as follows, entertainment: Mrs. Lulu Stanley; refreshments: Mrs. Georgia Orelli, Mrs. Humphreys and Mrs. Elizabeth Lewis.

August Ebbert was a caller Thursday morning from the Newtown section.

RELIEF BILL UP \$73,000,000

Measure Passed By House, Increased By Senate Goes To Conference

WASHINGTON, (U) —The house today sent the \$1,800,000,000 relief bill to conference with the senate.

The senate, continuing its spree of boosting house appropriations, had passed early today a \$1,800,900 relief bill for the fiscal year 1940—\$73,300,000 more than the amount previously approved by the house.

One of the most important of the amendments added by the senate would require that relief wages be based on the prevailing wage for the same type of employment in private industry in various sections of the country and that in no case shall it be less than that established under the fair labor standards act, sponsored by Sen. Pat McCarran, D. Nev., the amendment was adopted by a standing vote.

It also provides that differentials in the monthly earnings allowed shall be based only on the type of work done without regard to population. Rural wages would be as high as those paid in the nearest city in the same state.

Other major changes in relief administration made by the senate in the house approved bill would:

Require the states to put up 25 per cent of the aggregate costs of WPA projects. The vote on this amendment was 51 to 24.

Require persons on relief rolls continuously for 18 months to step aside for those who have been on certified rolls for three months. The house would require those on relief 18 months to take a 60 day vacation.

Change from \$40,000 to \$75,000 the limitation in costs of non-federal building which WPA may aid in construction.

Scouts Open Camp Sunday

First Period At Audrain Will Have 25 County Boys In Attendance For 10 Days

Twenty-five Boy Scouts, principally from troops in Placerville, will be up with the sun Sunday morning, for that is the day they start a ten-day period of Scouting at Camp Audrain.

Camp Audrain, near the lake of that name a short distance west of the Echo summit, is the summer camp of the Scouts of the Golden Empire Council, of which El Dorado County Scouts are members.

A total of sixty boys from the Golden Empire Council will go to the camp Sunday, twenty-five of them from Placerville, for the first of three 10-day periods at the camp. Other Scouts will attend the second and third periods.

Harry S. Brown, of the county Scout executive committee, issues the following instructions to those El Dorado County Scouts who are to attend the first period:

Meet at the Scout Lodge on Benham street at 7 o'clock Sunday morning prepared to go. Eagle Scout Loren Dahl will drive a truck supplied by J. W. Caswell to convey the Scouts and their equipment to the camp.

Camp Audrain is under the supervision of Area Field Executive Carl Fossette as resident camp director; Lieut. Elmore G. Brown, of West Point, program director; and the Rev. E. L. Spuller, Henry Cordoza and Harry Chadbourne.

Miss Virginia Casselman, niece of Mrs. Esther Petach, received honorable mention in a nation-wide art school contest, conducted during the month of May.

"Democratic Education"

State of California's educational activities are clearly explained in dramatic form in the State Education. For the benefit of educators who visit Treasure Island printed material is available in wide variety. "Democratic Education" is theme of the exhibit, borne out by dioramas, murals, charts and showings of school art craft. Dr. Ira W. Kibby is director and Mrs. Vesta C. Muehlhausen is administrator of the exhibit, which was sponsored by the California Commission for the Exposition.

Today's Fashion

For town wear.

By VERA WINSTON

THERE'S no doubt about the cool look of navy blue, especially when that shade is set off by white, as in this dress for town wear. It's sheer crepe with detachable collar. The midriff section accentuates the curve of the waist, emphasizing bust and hips. The skirt is knifed all around. White bone buttons.

PREMARITAL AND PRENATAL MEDICAL TESTS, AS REQUIRED BY STATE LAW EFFECTIVE SEPTEMBER 19th, EXPLAINED

By JOHN W. DUNLAP

United Press Staff Correspondent

SACRAMENTO (UP)—A long-range program against venereal disease was initiated by the 1939 legislature with passage of laws requiring premarital and prenatal medical tests.

In brief, the premarital bill signed by Gov. Culbert L. Olson requires both parties applying for a marriage license to present a medical certificate showing that syphilis is not present or is in a non-infectious stage.

The prenatal bill requires a physician attending an expectant mother to make an examination for syphilis.

Inconvenience and misunderstanding of the new marriage law is expected to cut down marriage applications after the effective date of Sept. 16, such as occurred when the three-day waiting period law was passed.

Department of public health officials said the procedure is "private and simple" for marriage-minded couples. Just make an appointment with any doctor and he does the rest. Privacy is insured because revealing of examination information is a misdemeanor.

The doctor takes a blood sample and sends it to any approved laboratory, chosen by the applicant if he wishes. The laboratory sends back a report to the doctor and to the department of health.

If the result is negative, show that syphilis either is not present

or is in a non-infectious stage, the doctor issues a certificate to be presented at the county marriage license bureau. It may be presented either at the time of application for license or when the license itself is issued, but must show the test has been made within 30 days of application.

Even if there is a positive result, it was explained, marriage plans may be merely postponed rather than abandoned if treatment is started immediately. Syphilis in early stages becomes non-infectious under treatment in a rather short time.

The test may be waived by a superior court judge in special cases. In addition to a private physician, doctors in free clinics, medical members of hospital and local health bureau staffs may make the examination. The blood test may be made in approved private laboratories, free local public health laboratories, or the state laboratory at Berkeley.

Oregon adopted such a law two years ago and other states have similar statutes. The prenatal law requires every physician or other person engaged in prenatal care of a pregnant woman to obtain a blood specimen at the time of the first professional visit or within 10 days thereafter.

The same provisions for secrecy, penalty, and laboratories apply as under the marriage law.

Household Hint

An economical and efficient housewife indexes the foods she has found to be good buys. When new brands of foods prove to be good, she indexes them, using a box with an A to Z index, and labels them "the best buys for the money." Labels are filed alphabetically if not too bulky; otherwise names are noted on cards which fit the file, also quality, quantity, size, price and name of store where purchased.

Scorch

If a white garment or table linen has been scorched in ironing the scorch may easily be removed if the fibres are not actually burned. Moisten the spot and lay it in the sunshine. As it dries out, rewet it. An hour or two of this should remove the scorch.

Republican Class Ads Always Pay.

HOW IT BEGAN By Paul F. Berdanier

U.S. STOCKING MANUFACTURE
AFTER THE INVENTION OF THE STOCKING MACHINE IN ENGLAND IN 1590, THE INDUSTRY GREW SLOWLY UNTIL 1690, WHEN GERMAN MENNONITE IMMIGRANTS SET UP THEIR MACHINES IN THE U.S. NOT UNTIL 1790 WAS THE INDUSTRY ESTABLISHED IN SEVERAL TOWNS IN CONNECTICUT.

MOUNTED POLICE
MOUNTED POLICE FIRST APPEARED IN NEW YORK CITY IN 1868, CHIEFLY TO PROTECT SCHOOL CHILDREN. BECAUSE OF THIS THEY WERE CALLED "SCHOOL BOYS" BY FELLOW PATROLMEN.

"BLACKWELL'S ISLAND" THURSDAY FEATURE AT EMPIRE

"Blackwell's Island," the Warner Bros. picture opening today at the Empire Theatre, is based, as the title indicates, upon the prison scandal which amazed New York City several years ago. It gains additional interest from the fact that it presents John Garfield, who came to public attention in his debut as a screen actor in "Four Daughters," and more recently as the star of "They Made Me a Criminal."

This time the young newcomer from the New York stage does not have, as he did in "Four Daughters," a mere supporting role but is the central character of the story and naturally the star of the picture. The production is, in fact, a response by Warner Bros. to the insistent public demand for more of Garfield which became apparent

Dixie Clipper Refuels, Resumes Flight

HORTA, Azores, (UP)—Pan American Airways' Dixie Clipper, carrying the first fare-paying airplane passengers to Europe, landed here at 6:52 a. m. (EDT) today and took off for Lisbon, Portugal, on the second leg of its flight at 8:36 a. m. The flight from Port Washington, N. Y., to Horta took 15 hours and 40 minutes. The clipper refueled here before resuming its journey.

Republican Class Ads Always Pay

upon the release of "Four Daughters."

His part in the new picture is altogether different from the character he played in his first picture. He is, in "Blackwell's Island," a courageous, aggressive, dynamic young newspaper reporter who succeeds brilliantly in achieving the goal he sets for himself.

MINUTES OF THE BOARD OF SUPERVISORS

RESOLUTION REQUESTING AN ADDITIONAL GAME WARDEN FOR THE COUNTY OF EL DORADO, STATE OF CALIFORNIA.

WHEREAS, while the present Game Warden, A. W. Sears, is to be commended for his efficient work within the County of El Dorado, State of California, however, due to the vast hunting areas and many miles of streams, it makes it impossible for one man to properly patrol said areas and said streams, and

WHEREAS, in the opinion of the Board of Supervisors of the County of El Dorado, it is advisable and advantageous to the County of El Dorado and to the State of California, that an additional Game Warden be permanently stationed within said County of El Dorado, State of California;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of El Dorado, State of California, and it is hereby resolved that the California Fish and Game Commission, and they are hereby requested to permanently place a Game Warden within the County of El Dorado, State of California.

Passed and adopted by unanimous vote of the Board of Supervisors of the County of El Dorado, State of California, this 6th day of June, A. D. 1939.

CYRIL H. HEUSNER, Chairman.
ARTHUR J. KOLETZKE, Clerk.

Tuesday, June 27th, 1939

The Board of Supervisors having adjourned on Tuesday, June 6th, 1939, until this time and there are present Supervisors Hall, Green, Heusner, Neigel and Breedlove and

It appearing to the Board that the County Budget for the fiscal year 1938-39 was inadequate to meet the requirements of the following named departmental heads, it is hereby ordered by the full vote of the Board that the County Auditor be and he is hereby authorized to transfer the sum of \$5027.95, from the Unappropriated Reserve Fund to the Credit of the following Funds:-

Arthur J. Koletzke, Clerk of the Board.

Chairman, Cyril H. Heusner, presiding.

Order for Financial Report

Whereas Section 4049 of the Political Code reads as follows.

The Board of Supervisors shall cause to be prepared and shall publish each year a statistical report showing in compendious form all the financial transactions of the county for the fiscal year, exhibiting separately the receipts and expenditures by or on account of each officer, boards, commission, Institution, court and road district and school district and classifying the principal items of income and expenditure so as to show the financial transactions and the financial conditions of the County therefore, it is hereby ordered, that such report be prepared for the fiscal year ending June 30th, 1939, under the supervision of the County Auditor, and publication to be made as follows:

(1) The County Auditor is directed to have said report prepared under his supervision by such person or persons, as he may designate. Compensation for said preparation to be paid from the General Fund claim or claims duly approved by him.

(2) Upon completion of the preparation of said report, the County Auditor, shall have printed 850 copies thereof in pamphlet form and shall thereupon order the printing of said number of copies from the Placerville Times. Compensation of said work to be paid from the General Fund in the usual manner. The foregoing order was passed and adopted by the following vote:—Yes; Supervisors Hall, Green, Neigel and Breedlove. Noes; Supervisor Heusner.

Youthful Bandits Are Sought Near Fresno

FRESNO, (AP)—Two youthful bandits were sought by authorities today for the wanton shooting of two men, one of whom was not expected to live.

Police believed the two gunmen had been crazed by a drug. The wounded men were Robert Boyd, 22, a shooting gallery employee, and Roy Barr, 34, service station attendant.

Troop 57 News
Only two more hopping days until Scout Camp! And I really mean hopping, too, for there are myriads of forms, blanks, and other red tape to be readied in these few days.

Troop 57 rules supreme! We possess an undefeated record, having beaten Troop 86, and more recently tramping under Troop 67 who put up some stiff competition. Our newly elected team manager, Henri Pierroz, states that he has made tentative arrangements with Diamond's 95, and is now after a game with Camino. Pitcher Flash Allen of the defeated 87ers warns all those who go bravely forth to pitch to our band of conquering slingers, to tie a string on to the ball if they desire to keep it from being knocked out of the county.

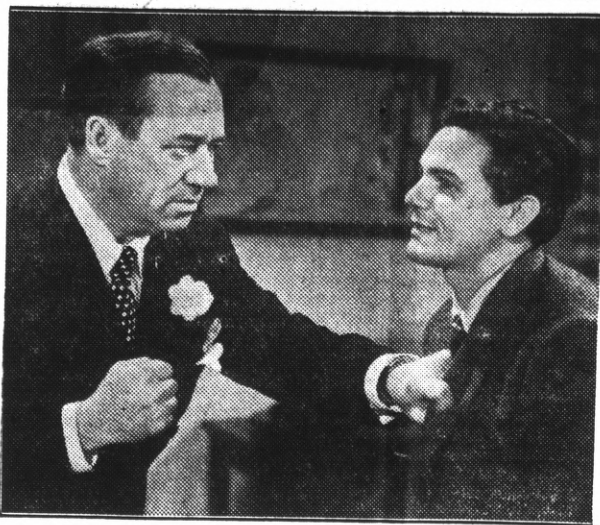

On Thursday, the second class and tenderfoot Scouts of both Troop 86 and Troop 57 will meet at the lodge at one o'clock to leave on a test-passing over-nite trip to

Blackbird camp on the American River.

Due to Scout camp, Independence Day, etc., there will be no meeting until July 11. —Bill Dillinger.

Troop 86 News
Well! Well! If Placerville people felt a slight breeze last Monday about 7:00 p. m., I'll tell what it was. It was those poor Troop 67 Scouts trying to hit the baseball. The score was 3 to 5 in their favor, but a Scout is supposed to be kind, so we Troop 86 Scouts thought we should let them win so they wouldn't be discouraged. But next time it won't be that way, for we 86ers are getting tired of doing favors and not getting thanked for it.

We 86ers would like to congratulate Mr. Junior Wurth on his excellent umpiring. Now that we have tried both 57 and 67 we are going to wipe them off the map next time. —Jerry Davis.

STANLEY FIELDS and John Garfield appearing in "Blackwell's Island," which is the feature for Thursday at the Empire Theater.

Recorder's Filings

AROUND OUR TOWN

Mrs. M. E. Harris and Miss Elizabeth C. Harris of Detroit are here for a visit with Mrs. Elizabeth Harris.

George Allen was among those in town Thursday from Sutter Creek attending to business at the forest headquarters.

Mr. and Mrs. Lester Vaughan and son are here this week from Sacramento, spending their vacation visiting relatives.

The Lester and D. K. Longhurst families returned Wednesday evening from a vacation visit with relatives and other friends in Utah and Idaho.

Mrs. Irma Lawyer, who was in town Thursday from Uncle Tom's, reports that life in the mountains is grand but that she does miss the whist parties.

Jesse Jewell, the Lake Tahoe resort man, was beaming upon his home town Thursday and explained that the reason for his unusually happy countenance is that "everything is filled up" at Jewell Heights, near Bijou.

MILLIONS OF POLES VOW THEY'LL PROTECT CORRIDOR

GDYNIA, Poland, (UP)—Millions of Poles swore a solemn oath at nationwide gatherings today that "the United Polish people will never allow themselves to be cut off from the Baltic Sea."

Following a speech by President Ignacy Moscicki at the Port of Gdynia asserting that the Polish corridor pathway to the sea is as vital to the nation as "the sun and the air," citizens assembled in market places of towns and cities throughout the country to repeat the oath.

FARM MEETINGS CONSIDER SOIL DISTRICTS FOR COUNTY

(Continued from page one)

ed does not permit of special taxation in any form, except as voted by two-thirds majority of the owners of land within the district.

There has been for some three years past a Soil Conservation Demonstration Project in the Placerville area in which a number of the farmers of the vicinity have shared and it is felt from the benefits which are apparent as a result of this work that the formation of a district embracing a larger part of the county will enable the farmers to plan a long time basis corrective measures for their soil and water conservation problems.

To form a soil conservation district, an election may be called upon the petition of twenty-five percent of the owners of land within the proposed district and at this election, all citizens are eligible to vote and the question is decided upon the basis of a simple majority of votes.

The governing board of the district is then empowered, without further instruction from the members of the district, to levy a tax in the amount of \$1 tax on every \$5,000 of assessed property valuation, and no more. The board is not compelled to collect this assessment; it may.

No other funds may be collected in the district for district purposes, without the approval of two-thirds of those who own land in the district. And no regulations of land use may be established without the approval of two-thirds of the number of land owners.

A district having been formed, other sections may petition to affiliate with that district upon the presentation of a petition signed by fifty-one percent of the land owners of the petitioning area.

Upon the completion of the meeting series now under way in the county, a general meeting of the district committees is to be called for further discussion of the proposal.

Danzig Delegates Are Suddenly Recalled

COPENHAGEN, Denmark, (UP)—All Danzig delegates to the International Chamber of Commerce convention here have been called home "because of the serious political situation in Europe," it was understood today. The delegates left for home last night by airplane.

Experiments are being made in Marin county in killing jimsonweed.

Leaders were appointed to read the oath, which was repeated by the population. More than 200,000 were assembled in Warsaw alone as part of the annual "sea day" celebration which was of special importance this year because of the dispute with Germany over Danzig and the corridor.

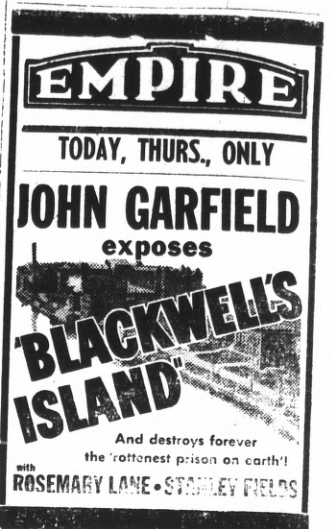

Two Air Ambitions

Baroness Lisette von Kapri, Switzerland's only licensed woman pilot has two ambitions. In New York after an air tour of Mexico, she says she would like to fly solo across the Atlantic and to establish an aerial ambulance corps in Switzerland.

A Cooling Drink

Combine equal parts of canned pineapple juice and ginger ale; and pour this over a glass of chipped ice. Garnish with mint and orange slices.
